.....

Department of Clinical Research
Student's Feedback Form

Please take a few minutes to complete this evaluation form at the end of your placement. Your objective feedback would be greatly appreciated.

Answer all the statements according to the following 1 to 5 scale:

1 = Strongly Disagree (SD), 2 = Disagree (D), 3 = Neutral (N), 4 = Agree (A) and 5 = Strongly Agree (SA)

Circle a number between 1 and 5 to indicate which response best fits your experience in our Department.

		SD	D	N	A	SA
Establishing Effective Working Relationship / Creating An Environment For Learning						
	Appropriate Welcome and Orientation to the Department was provided	1	2	3	4	5
	Ongoing and constructive support was given at all times	1	2	3	4	5
	An effective professional and inter-professional relationship was built to support learning	1	2	3	4	5
	I felt supported during my time in the department	1	2	3	4	5
Facilitation And Evaluation Of Learning / Creating An Environment For Learning						
	There was a clear introduction to Research	1	2	3	4	5
	The aims and objectives established in the pre-assessment have been met	1	2	3	4	5
	The time spent in the department was well organised for me to experience all different areas of interest	1	2	3	4	5
	The Student Handbook Pathway was very helpful	1	2	3	4	5
	The Summative Assessment was of reasonable length and content	1	2	3	4	5
Assessment And Accountability / Leadership						
	Constructive feedbacks were always provided to me	1	2	3	4	5
	I felt comfortable asking questions and expressing my opinions	1	2	3	4	5
	I felt prepared to complete the Summative assessment at the end of my learning experience	1	2	3	4	5
	The Pre-assessment form helped me focus on the learning opportunities of this area	1	2	3	4	5
	I was involved in many and various opportunistic learning experiences	1	2	3	4	5
	The good outcome of my experience in the Department was prioritised at all times	1	2	3	4	5
Context Of Practise / Evidence Based Practise						
	I have now a better understanding of how Clinical Research supports practise development and the importance it has	1	2	3	4	5
	Professional Boundaries were maintained at all times	1	2	3	4	5

I **liked** the following things:

.....
.....
.....
.....
.....

The pathway might be **improved** by:

.....
.....
.....
.....
.....

THANK YOU FOR YOUR TIME!
