interested in
accessing a
Midwifery course
at University**

**Applications close on
27th December 2019**

**Interviews will be held on
27th January 2020**

**Induction day will be held on
9th April 2020**

**All placements will take place
Week commencing 18th May,
25th May and 1st June 2020**

Aims and objectives

This placement will:

- Give a realistic view of the role of the Midwife;
- Strengthen your application for an appropriate Midwifery course at University;
- Develop your knowledge in preparation for an interview for a Midwifery course.

3 students will be on placement
at the same time and
rotate between areas

This will be the only chance to apply
for Midwifery placements until
September 2020

The Learning Opportunities
from this placement will include:

1 day in Antenatal/Post natal

1 day on Trinity Ward

1 day in Community with
Midwifery Support Worker

This is an observational placement
only — although you will interact
with patients you will not be
allowed to give direct patient care

All successful applicants must
provide a current
Enhanced DBS Clearance

In the first instance please complete the
application form located at
www.practicelearning-crh.com

Completion of a personal statement to
accompany a strong application is essential in
order to be considered for this opportunity

Applications will be short-listed,
successful candidates will be invited
to attend an interview on
27th January 2020

Applications received after
27th December 2019 will not be considered

Up to 9 places will be offered
